

# How to create a Fronius SolarWeb

Created by I Want Energy 14/05/2021

Now that your system has been installed, it's time to create your account for SolarWeb.com. Once your meters have been changed over and Aurora/1st Energy have given you the okay to turn your system on, follow the below instructions to create your solarweb account. Once you have registered your account let I Want Energy know so we can invite you to view your system:

## Step 1.

Go to [www.solarweb.com](http://www.solarweb.com)

Once on the web page go to the top right hand corner and select 'Login'

## Step 2.

You will not have a username or password at this stage. So head to the 'register now' section under sign up

**FRONIUS**

LOGIN FOR EMPLOYEES

**LOGIN**

Email  
Please fill this field.

Password  
Please fill this field.

Step 3.

### Step 3.

Enter in the email address that you wish to register under and create a password. The password will require a special format (hover over the ? to see the format required). Make sure you tick the 'I'm not a robot' section' and agree to the data privacy statement. Once you've done all of this hit the 'Register Now' button.

**Handy tip, for an example this is a password that follows the format guidelines: Chloe@1997**

PLEASE ENTER...

Your email  
chloe@iwantenergy.com.au

Your password ..... Confirm password .....  
? (circled in red)

### Step 4.

Once you've hit the register now button, it will send you a confirmation email

NEW ACCOUNT > **CONFIRM** > DONE

### A CONFIRMATION EMAIL...

...has been sent to your email address.  
Please check your inbox and click the confirmation-link to complete your registration.  
Please check your spam folder in case you do not receive the confirmation email.

## Step 5.

Go to your emails and find the recent email from Fronius and follow the link to activate your account
